

Cookie Policy

1. What Are Cookies?

Cookies are small text files placed on your device by websites that you visit. They are widely used to make websites work more efficiently, as well as to provide information to the owners of the site.

2. How We Use Cookies

On Artur Fenyuk's website, we use cookies for the following purposes:

- **Essential Cookies:** These are necessary for the website to function properly. They enable basic features like page navigation and access to secure areas.
- **Performance and Analytics:** We use tools (such as Google Analytics) to collect information about how visitors interact with the site. This helps us improve the user experience by understanding which pages are most frequently visited.

3. Third-Party Cookies

In some cases, we use cookies provided by trusted third parties. For example, if this site includes embedded content (like YouTube videos) or social media sharing buttons, those services may set their own cookies. We do not control these third-party cookies.

4. Managing Your Cookie Preferences

You have the right to decide whether to accept or reject cookies. You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our website, though your access to some functionality may be restricted.

5. Contact Information

If you have any questions about our use of cookies, please contact me at:
